## Support Our Troops

To: Teamsters  
Att: Gen President James P Hoffa  
Subject: Trailers to UVBH Promise

Dear GP Hoffa,

In May 2012 we met up with Michael Yauger and spent some time with him and his lady. During several time that we met up during the Memorial Day Weekend he stated to 15 or more National Board Members and Members of the Veterans of the Vietnam War, Inc & The Veterans Coalition, Michael told us that he had work groups that would assist us in our Construction of United Veterans Beacon Houses in Promise and Parade, South Dakota. The Veterans Fund of the United States is the VVnW & VC 501C3.

Michael also told us if there were any transport needs all we had to do was ask. The Teamsters would be behind us doing all they could for Veterans. These are all commitments and Commitments are as good as a contract.

Michael asked me to call him and gave me his two business Cards. After approx a week I call many times and left messages for Michael to call me back. Finally after several weeks I got to talk to Michael and he told me he was trying to put together volunteer labor to assist us. He was to get back to me. That was the last I have heard from Michael.

I then in November wrote to Michael to request transport assistance, I faxed the letter "Attached" several times to each office and again no reply or return phone call.

So GP Hoffa, I have come to you as the head of the Teamsters Union to assist us to move 2 x 53' Swift Trailers from Pittston, PA to Mobridge, SD. To live the Commitments made.

Commitments have been made and as the representative of the Teamsters Union Michael Yuager is now gone to ground, wont respond, then the buck stops with you to live up to those commitments.

Yours in Brotherhood

  
Peter J Forbes  
President
