Dear Mr Yuager,

We have not heard back from you regarding volunteer labor to assist with the United Veterans Beacon House in Promise and Parade SD, However you may be able to assist in another important way:

We are seeking the services of a Transport Company to ship up to 2 x 53' Trailers that have been donated to the Veterans Fund by Swift Transport.

One of the vital projects of the Organization is to construct and operate Transitional Housing for Veterans in Need under our United Veterans Beacon House program.

Our two new focuses is in Promise and Parade, South Dakota housing Male and Female Native American Homeless Veterans.

We are seeking support from The Teamsters in shipping 53' Storage Trailers from the National Headquarters of the Veterans of the Vietnam War, Inc and The Veterans Coalition in Pittston, PA to Promise (near Mobridge) South Dakota.

These trailers contain approx. 4000 pounds of construction products that need to go to SD, therefore the Trailers are basically empty and the shipment of the Trailers are one way only, to SD.

These trailers will be used to move equipment and materials from Promise SD to Parade, SD and then onto the following projects throughout the United States. These trailers are fully roadworthy, insured and tagged.

We hope you can assist Veterans at this time of Thanksgiving by transporting these two trailers for us. Thank you in advance.

Yours in Brotherhood
